### **Paul Williams**

*Blenheim resident, Waikawa tenant, professional planner, RMA expert*

### **Phil McMath**

*Blenheim resident, Waikawa Moorings owner, long involvement in marine matters*

### **SUBSCRIPTION**

Our Financial Year end is 31 March. Last year all our members were very generous in establishing a fighting fund in addition to the subscription of \$25. Many donated \$75+.

Attached is our Year End Financial Statements and analysis 1 April 2007 to end May 2008. Major expenditure to date has been on Legal Fees and 70% of this pertaining to the Moorings Applications and hearing. We have retained excellent Legal Representation who have worked on a much reduced fee basis.

**Discussion at the AGM around fees and donations suggested Moorings Owners should be prepared to donate somewhat more this year as we still have legal**

work to finalise and ensure the establishment of Moorings ownership as you have been advised.

We suggest a donation of \$50 plus \$25 subscription from moorings owners would be in order.

All other members should pay \$25 plus a donation as they see fair.

Remember a lot of time is being given by people on your behalf including the above committee who give all time voluntary to ensure fairness in all areas with considerable effort planned again this year as to Rental Regimes in all areas with Port Marlborough.
